Notre Dame Reconsiders Cancellation and Game Is On

Y. M. C. A. FIVE IS WINNER OVER FAST WINDY CITY OUTFIT

Delayed Rally of Cooper's Stars Results in 41 to 30 Victory for Locals.

The Y. M. C. A. basketball quintet defeated the Armour Post American Legion team of Chicago last night, at the Y. M. C. A. gym by the score of 41 to 30 in one of the most exciting games seen on the local floor. Both teams played a clever passing and guarding game and it was some minutes after play started before either team was able to break through the defense of their opponents. After a series of passes, involving the entire Y team, Burnham tossed one in for the locals for the first marker of the game. From then on the game saw-sawed back and forth and at no time was either team leading by more than two points throughout the first half. A few minutes before time was called for the first half, Burnham executed a long shot bringing his team into the lead. The half ended with the local outfit leading 14 to 12.

"Dusty" Rhodes Stars. The second half was a repetition of the first, with hard clean playing by both teams with a sprinkling of acrobatic falls by "Red" Devers of the visitors. Incidentally, Devers is some guard. Burnham, Rhodes and Nykos did all the scoring for the "Y" team during this period of play, assisted with good passing by Kizer and Alward. Rhodes had been held scoreless throughout the first half but after hitting his stride could not be stopped. It was his burst of speed at the winding minutes of play that placed the "Y" team in the lead never to be overtaken.

The visiting outfit made the locals extend themselves at all times. They were equally as well versed in the game as the Y team but were unable to hold in check the burst of speed displayed by the locals towards the end of the game. Smith, one of the best basket tossers in this vicinity was well guarded and was unable to live up to the reputation that preceded him. He scored but one basket during the night, but his passing to his mates enabled them to score many of their points.

Seward Blues Coming. The Seward Blues of Chicago, A. U. champions since 1917, will be the attraction at the Y. M. C. A. gym Thursday night. Reserved seats will be sold for all games for the balance of the season and can be secured at all cigar stores, and at the Y. M. C. A. office.

BALLADS OF BASEBALL

By GEORGE MORIARTY

THE baseball nut's nose has passed, and now while it is freezin' the baseball nut shoots off his blast about the coming season. Today I met a baseball hound, and, by the stars above me, he surely covered all the ground before he let go of me.

Q. UER stories tell of his month, joy in his heart was reigning. He told me when teams would go south to start their spring-time training. He babbled onward like a brook with his delineations; he talked enough to fill a book with baseball situations.

H. E SAID the spitter should be canned, so pitchers could not work it. He said the draft should be resumed in every minor circuit. He spoke about the case of Mays that led to the injunction; he said such action never pays, and magnates should think bunk shun.

I TRIED to stop his lengthy tirade, but I could not molest him; he filled me up with trades and deals while I stood there and yessed him. I listened to him boast and brag; such gab! how he could pour it! I know now who will win each day if I take his word for it.

Dentist Kayoes Former Champion

Introducing Kid Williams, former bantam champ of the world. This picture was taken on his 20th birthday. He has just celebrated the occasion by having most of his teeth removed.

No, the "Kid" had no fear that some opponent would knock them out. He underwent the operation after listening to a lot of expert advice. Kid Williams still feels young and skittish, especially in spirit. Physically he has been feeling a bit seedy of late. His joints were sore after hard workouts and his muscles didn't respond to the still active mind.

First the learned men of medicine and the surgical saw declared that the "Kid" should have his tonsils removed. They told him that was the trouble. Then another specialist said it was the nose, and finally a dental doctor said the "Kid" wouldn't be any good until he had most of his teeth removed—that they were sending poison into his body, and that when the evil was removed the "Kid" would be like a gent with a set of monkey glands.

And Kid Williams, like the owner of an automobile listening to an eloquent garage expert, took the various prescriptions and is hoping to hop back in the ring with both feet and whip all the Buffs and Hermans and Lynchies in captivity. There was a time when the "tiger man" could just about have done that trick in one evening but now

"Kid" Ross and Burns to Meet At Mishawaka

Belgian Grapplers Signed for Semi-Final Bout of Century Show.

An all star wrestling card to be staged in Mishawaka on Dec. 19th with Kid Ross, middleweight of Mishawaka and Frankie Burns, champion of Michigan as the principal attractions is the cause for a stir among the many grappling fans of the town of Bill Dodge and from present indication the Century theater will be taxed to its utmost when the bell rings at 8 o'clock for the first bout of the evening.

Frankie Burns, well known throughout every wrestling circle in the middle west is indeed a fit opponent for the boy from Mishawaka, who has been tackling opposition that has outwitted him ten and fifteen pounds, throwing them with ease.

Lives in Niles. Burns who hails from Flint, Michigan, has taken up his abode in Niles and will wear the colors of the wester city and bring their steady fast support to Mishawaka the night of the big match.

In the semi-final windup of the night Charlie Smith, a Belgian mat man who wrestled Ross in a bout at Mishawaka about a year ago will meet France Vesteaten who has been termed the Belgian Hercules. This match in itself is worthy of a headline billing.

In the second meeting of the night Pat O'Connell of Notre Dame and Ernie Blazer the pride of Fort Wayne will clash. O'Connell is one of the best grapplers the "Fighting Irish" have as their representatives and should prove a worth while rival for the wrestler from Fort Wayne.

The opening match of the night has not been secured yet but will be announced in the near future. Pastors giving the data on all contenders have been strung throughout Mishawaka and South Bend while tickets are on sale at the leading cigar stores.

"MAKE LIFE WORTH LIVING" IS MOTTO OF ONE UNDERTAKER

Arthur J. Donnelly of St. Louis Earns Monicker of Baseball Santa Claus.

BY BILLY EVANS. This undertaker believes in making life worth living. That isn't a comedy line.

I have reference to Arthur J. Donnelly of St. Louis.

Mr. Donnelly is baseball's best booster. If you have the slightest doubt on this point, ask any kid in St. Louis old enough to throw a baseball.

In St. Louis baseball circles, also those within a radius of a couple of hundred miles, Mr. Donnelly is regarded as Santa Claus. The good old summer time is six months of Christmas.

For 20 years Mr. Donnelly has sponsored every movement that meant better baseball for the kiddies and youths of St. Louis.

Each year Mr. Donnelly outfits a team that bears his name, in regular big league style. None of the major league clubs is better equipped.

SPORT'S GREATEST BOOSTER. However, that team is just one of about twenty in St. Louis that regard Mr. Donnelly as their angel when money is needed.

Dever, Missouri, way when any promoter first consult Mr. Donnelly, if he favors the idea, and he always does if it is worth while, he is next requested to make a liberal donation. This is the best thing he does.

The support of Arthur Donnelly, plus his contribution, really spells success for any athletic event that is promoted in St. Louis.

Donnelly's All Stars, as his favorite team is called, travels in style. Some of the members of the team regarded a ride in a "diver" as an event in their life before joining Donnelly's All Stars. Now they go to and from their games in a "twin-six."

Sunday is the big day of the week. No games are ever scheduled for the afternoon. Throughout the season at both the National and American league games, Mr. Donnelly has reserved a block of seats for every Sunday contest.

It is needless to add that the boys keep Mr. Donnelly's chauffeur busy, supplying them with refreshments. Judge Landis, Ban Johnson, John Heydler and the rest of the big fellows in baseball are "bush leaguers" compared with Arthur Donnelly in the eyes of the kids of St. Louis.

And don't forget Missouri is the state where you have to show them.

Veteran Niles Railroad Man Dies After Heart Attack. NILES, Mich., Dec. 10.—John G. Walker, 65 years of age, a pioneer Michigan Central Railroad employee died at his home, 938 Main st., Friday evening after several months' illness with a heart affection. Mr. Walker was born in Wesley, Ontario coming to Michigan when two years of age. At the age of 22 he entered the employ of the Michigan Central Railroad Co., in whose employment with several promotions, he remained continuously for 41 years.

On May 12, 1880, Mr. Walker was married to Miss Etta Vandenberg of Niles. Besides the widow, two children, Harry Walker, and Mrs. W. L. Rowson, both of this city, survive him. Funeral services will be held at St. Mary's church at 9 o'clock Tuesday morning. The Rev. Victor F. Ducat officiating. Burial will occur in Calvary cemetery.

REASONS VERY EVIDENT.

The News-Times Sport Page dominates the field throughout Northern Indiana for many reasons. Foremost are clearness, precision, accuracy and honesty.

Friday night Eddie Welsh fought Al Hennessy in a boxing show at Niles. A former South Bend boy, who is climbing rapidly, it was deemed just by the sports department of this paper to carry an authentic and full report of the bouts.

Fairness To All. Our esteemed contemporary "buried" the story of Welsh's victory under a small head, while this paper gave it the full treatment.

The story of the Knox boxing exhibitions, in which Treber and Parmley, two men in whom this city is very slightly interested, were the participants.

Local news is relayed by local readers. You'll find plenty of it on this page.

Amateur Union Will Stop Foreigners Winning Titles

TORONTO, Ont., Dec. 10.—The amateur Athletic union of Canada adopted an amendment to its rules Saturday which will prevent any Canadian citizens from competing in future Canadian track and field championships.

United States competitors have in the past taken a prominent part in Canadian meets and twenty of the fifty-seven Canadian track and field records are held by athletes who are citizens of countries other than Canada. The object of the change is to encourage Canadian athletes.

DEPAUW WINS OPENER.

GREENCASTLE, Ind., Dec. 10.—The basketball season was opened tonight by the DePauw team with a victory over Earlham, 29 to 19. Earlham made only one field goal in the first half, which ended 17 to 9. Coach Fred Walker sent in a number of substitutes for DePauw in the second period. Goar's accurate throws bolstered up Earlham's score.

ANNUAL BOWLING MEETING STARTS AT INDIANAPOLIS

Sam H. Gentile and R. A. Schnelle to Represent South Bend at Gathering.

The annual meeting of the Indiana Bowling association will be held at Indianapolis on Sunday afternoon. South Bend will be represented by two delegates, Mr. Sam H. Gentile, who by reason of being vice president of the association, and R. A. Schnelle, the regular elected delegate of the South Bend Bowling association.

One of the greatest concerns is that of the city being awarded the next tournament of the organization. Two southern cities, Indianapolis and Anderson, have been campaigning for several months for the plumb. The latter has been waging a very active campaign, having the co-operation of their local chamber of commerce as well as that of the Rotary club.

Indianapolis is always in the field for the bowling as well as any other state convention and is always supported by its civic organizations in their efforts. An effort is going to be made by the local delegates to land the event for South Bend, although they realize it is going to be a hard uphill fight to get such a concession.

GIRLS PRACTICING BASKETBALL DAILY FOR BENDER LEAGUE

Inter-Class Organization at High School to Get Under Way Soon.

Interclass girls basketball at the local Colfax institution is booming under the direction of Miss Nora Bishop, girls athletic instructor. The classes are divided into two groups each group holding practice periods every other night. The first group includes the Senior and Junior squads and the Freshmen and sophomores squads comprise the other group. Individual class practices are held and the classes comprised the groups are scrimmaged against one another.

A league will be formed sometime after the holidays. Two quintets will represent each class, making a total of eight quintets which will compete against one another. They will be played on the elimination plan and the team that survives the league will be pronounced the 1921 Girls Interclass Champions.

Enthusiasm runs high in the daily practices and some mighty good girls quintets are bound to be developed. On looking over the respective quintets in the daily practices and scrimmages the Juniors are doped to take the honors. The Seniors also have a strong five and will give the Juniors a mighty hard race before any championships are awarded.

Much More Money Will be Swapped During Next Week

Magnates Refuse to Tighten Strings of Dough Bag and Trades Likely.

NEW YORK, Dec. 10.—Though a quarter of a million dollars will change hands as a result of player deals consummated at the Buffalo meeting of the national association, the magnates are not yet through reaching into the dough bag. With the scene of action transferred to New York today in prospect of the major league meetings next week, talk of further deals filled the air.

The New York Yankees have several deals in prospect, one of which is believed to be with Detroit. Rumor says that Bob Veatch, and a pitcher, probably Howard Ehmke, may come to the Yanks for John Mitchell, an outfielder, and some cash money.

The Pittsburgh Pirates and Chicago Cubs are both in the market for talent. Gibson and Killefer are being about high and low for some deal that will strengthen their teams.

"Players were never so scarce," said Killefer, discussing the problems that confront him.

Then St. Louis Browns also have money to spend for pitching talent and could use a second baseman, but as business manager Quinn said at Buffalo, "We're not going to pay radium prices and doubt if we could get the right men even though sky was made the limit."

New York was the objective for both major and minor league owners and managers today. Many came on from Buffalo Thursday night and others straggled in today.

KAZOO ELKS LOSE TO LOCAL LIFERS

Krueger and Abraham Star for Conservative Bowlers in Series Game.

Playing the second half of their home match the Conservative Life Insurance Co. Five defeated the Kalamazoo Elks by the score of 2,907 to 2,658 Saturday evening.

The visitors showed very poor form, especially Heinie Rhinehart, the Lincoln Life star, who only showed 465 for his series. In but one game, the last, were the Kalamazoo boys in the running, making they lost by 16 pins.

All of the local boys were in fine fettle except Tom Sharkey. The lead-off was cutting in too deep and barely passed the 500 mark. But the rest of the gang responded in fine style as Krueger and Abraham, both had better than a 600 rating, while the other two boys were well up.

There were several fine exhibitions of sharp shooting as George Schaefer cut down the 5-7 twice and Guernsey Abraham turned in the 4-7-19 split. The scores of the contest are as follows:

South Bend Lifers.	Kalamazoo Elks.
Sharkey.....150	204
Krueger.....160	182
Schaefer.....265	177
Abraham.....230	177
Vankirk.....184	184
Totals.....830	923

MANY COMEBACKS IN ORGANIZED BASEBALL

Comebachs played a prominent part in the major leagues last year. The most sensational, of course, was Red Faber of the Chicago White Sox. He was the most effective pitcher in the American League.

The work of Babe Adams with the Pirates was just about as brilliant. This veteran of many campaigns was a big factor in the fine showing of the Pirates.
